- Sewing curtains (we need some large black curtains in our gathering space).

- Shopping (we need some peeps to do some investigative shopping for furniture, lighting, etc).

### GOSPEL COMMUNITY LEADER TRAINING

Gospel Communities (GCs) will be at the heart of who we are as 2 Pillars Church. Everything we do will flow in, through, and out of our Gospel Communities. As such, the leaders of these Gospel Communities play a critical role in our health as a body. Beginning Sunday, January 24 (and continuing every-other Sunday thereafter), we will conduct a series of six or seven training sessions aimed at equipping individuals (or couples) interested in leading a Gospel Community.
