

## John Mark Mcmillan

### Verse 1

Peel back our ribs again and stand inside of our chest  
We just wanna' love you, We just wanna' love you, Yeah  
Peel back the veil of time, And let us see You with our naked eyes  
We just wanna' love you, We just wanna' love you, Yeah

### Pre-Chorus:

Skeleton bones stand at the sound  
Of eternity on the lips of the found  
And gravestones roll to the rhythm of the sound of You  
Skeleton bones stand at the sound  
Of eternity on the lips of the found  
So separate those doors and let the son of resurrection in

### Chorus:

Oh let us adore the Son of Glory drenched in love  
Open up your gates before him, Crown Him, stand Him up

### Verse 2: (2x)

We want your blood to flow inside our body  
We want your wind inside our lungs  
We just wanna' love you, We just wanna' love you, Yeah

### Bridge:

Everything that breathes, Yeah
